POTLUCK**

We had a GREAT turnout for our chili feed and the variety of chili was awesome. All of the extras were exceptional. Everybody participating is what makes our club so special.

The Mall car show is fast approaching. Please contact Fred Williams to help set up or man the booth to show off our club.

We had a great presentation by Greg Wood on the website that he has created for our state club and all of its members. Thanks to Greg for this and hats off to a job well done. The site will soon be “released” to the public.

The state tours are fast approaching....do you have your reservations yet?

Our meeting this month is the potluck hosted by the officers.

Hope to see you Monday night
