Old Business:

MAT Mall Show: Jeff reported that the show has been re-scheduled for September 25-27 in the former Lucky Market at Southgate Mall. Details are still being worked out. Loren asked for an update on the status of protective devices (i.e. stanchions, rope, etc) for our cars when they are on display at shows. Sam said he thought J Nelson might have them in storage and he will check on that for us.

Fall Tour Cancelled: Doug reminded us that all tours have been cancelled. The State directors haven't met since last fall, so they haven't fully figured out the details of how to safely conduct car tours amidst the Covid 19 Pandemic. Discussion continues.

New Business:

Cruisin' the Flathead Lake Tour, Saturday, August 29, 2020: Fred reported on this tour which we've been invited to participate in and distributed info and a map. The tour is being hosted by the Mission Valley Cruisers and Georgetown Lakesters. We should meet in the Paradise Falls parking lot at 7:30 AM to carpool. Call Fred if you have

questions (543-0934). Info will be on the club website and an email reminder will be resent.

Election of Club Officers: Doug asked if there were any nominations. Being none, he asked if current officers would continue, which they agreed to. He then asked for a motion to nominate the current slate of officers; Loren so moved; Sam seconded; and motion was approved by the members present.

Other Announcements:

Greg reminded us that newsletters are posted on the club website and if you need something posted, including classifieds, contact him. He encouraged new members to send him a photo(s) for the website photo gallery. Go to that section of the website to see examples of the photos which are organized by era. Website Address:
