## SOUTH CENTRAL REGION COORDINATOR

By T.D. Hathcock –RRTC

I have had this role of the VTR South Central Coordinator for few years now and did not do much with it, my predecessor Clay Thompson... Told me when I took over “you can make of it what you want”, I guess I was hoping that it would form a role for me, it did not. So This is my attempt to redefine the role and make it something that I want.

A little about me, I have been a member of the Rd River Triumph Club for 16 years (wow, I just added that up) I was president and have been the newsletter editor since 2015 ( a job I now can not give away, apparently I have “set the bar too high”). I am also a member of the Central Oklahoma VTR club, for 2 years.

Growing up I was always envious of a high school buddy who had TR7, in 2006 we bought a TR3B from one of the Red River Triumph Clubs original members , my Father-in-law (Duncan Wood) and I did significant restoration on it, I sold it to a guy in San Antonio during last summer’s lock down. I wanted to focus on the TR7 Spider that I had been restoring and the TR3 just was not getting driven enough.

My wife (Samantha Wood), the current Red River President has a TR6 as well, so between those two in the garage I’m always working on one or both.

My plan with this newsletter is to create something that members in our region can go to and see events that they may want to attend even if they have to travel a bit. I know when we have people from other clubs show up at our events of meetings , there is a bit of excitement to share. I’m not sure how this will evolve.

I have reached out to all newsletter editors in our region and there has been positive feedback about sharing information. It may have something to do with me doing this and them just having to send in input. I have also reached out to the other VTR regional Coordinators and asked if they do anything like this and I seem to be the only one. So we are breaking new ground here.

Ideally I would like to incorporate this with the new [South Central web-site](#) , so we can store some historical newsletters (if this keeps going), I have also talked to a couple of chapters about possibly hosting registration forms , for Regionals, Car shows, etc. so each club does not have to go back and reinvent the wheel when they host a regional event. We can simply modify/personalize the form for the hosting club and BAM, they are in business.

This will hopefully also be a place where I can keep the region up to date with VTR news , happenings and share chapter best practices.

It really will grow by the content received. It will start small and may stay small, I’m not looking to replace any chapters newsletters, just an enhancement, I know sometimes I’m so involved in what’s going on in Red River I have no idea what else is going on.

So for this inaugural edition, I wanted to provide you guys with some numbers, numbers of cars in our region that belong to our chapter members, we have an approximate total of 972 Triumphs in our combined region.

If you were thinking that the most popular car in our region is a TR2, you would be wrong Oh, so wrong.

*I will give anyone a free copy of this newsletter if they can guess what the most popular TR model is in our region?*

Please enjoy this inaugural issue of our bi-monthly regional newsletter.

# SOUTH CENTRAL REGION NEWSLETTER

By T.D. Hathcock –RRTC

So how many Triumphs do we have in our region? A whopping 972\* (at the time of writing this newsletter, that can and probably has changed since I began gathering data in the last week and a half.

Let's go through the model breakdown, oh and the highest number by models goes to —

*Triumph TR6 we have 317 of those.*

## Pre-War

Super 7 2

Gloria SX 4

Gloria Vitesse 1

## Post-War

## SOUTH CENTRAL REGIONAL

### It's the Big Event for Little British Cars!

STTA is hosting the VTR South Central Regional Convention in 2022. Boerne, Texas, will be the setting for this festive event and we're taking full advantage of the beauty of the Texas Hill Country with breakfast and dinner drives. Additionally, a fun event is planned for each day -- a gimmick rally, a funkana, an autocross, and of course a concourse car show.

Register now before the hotel books up. For more details, click [HERE](#).

# UTR NATIONAL CONVENTION

## Multiple Days of Triumphant Bliss

The Vintage Triumph Register (VTR) is a North American Triumph car club of over 2,800 Triumph owners and enthusiasts supporting and showcasing all models of Triumphs. The 2022 convention will be hosted by the Illinois Sports Owner Association (ISOA), one of the largest and most active Triumph clubs in the country. Compete in an autocross challenge, participate in a funkhana event, drive in a road rallye on our carefully selected back roads, and even learn about your car in our expert-led technical sessions. However you choose to spend your week, you'll get to enjoy it in the company of great people who are just as Triumph-crazy as you are. See you in Galena!

We've just added a new page with links to helpful information, such as the VTR's definitions for various car classes and rules for our silent auction. We're adding information all the time, so ask us if there's something you don't see!

## FOR KANSAS CITY TRIUMPHS

The Kansas City Triumphs Sport Car Club was organized in 1978 for the benefit of Triumph owners and enthusiasts in the greater Kansas City area. Membership is open to all who appreciate automobiles bearing the Triumph name. The club's mission is to provide a forum for the preservation, restoration, and enjoyment of the Triumph marque. KC Triumphs became an early chapter of the Vintage Triumph Register (VTR), a North American association dedicated to the preservation and enjoyment of all Triumph automobiles. The club provides a bi-monthly newsletter, Google Groups e-mail, and web site to keep all members informed of activities, provide a forum for technical advice, repair/restoration encouragement and an advertising medium for cars and parts.

A variety of activities are offered throughout the year including cruises, historic destination runs, picnics, tech sessions, fix-it days, dyno-tune events, car shows, convoys to VTR regional and national events and monthly social gatherings. Highlights have included a Drive-In, Fly-In organized with a local club that builds and flies replica WW I era planes and a Historic Route and Military Road Expedition. One illustrious member has twice shipped his TR3A to Europe to participate in historic rallies passing through the spectacular mountain passes of the Ardennes, Dolomites and Pyrenees.

KC Triumphs hosts all local British marque clubs at an annual picnic gathering during National British Car Week and was instrumental in establishing the annual Heartland All British Car and Cycle Meet which continues as the largest vintage British car event in the Midwest.

## FOR ST. LOUIS TRIUMPH OWNERS ASSOCIATION

A long time ago (well, 1982), long after Lewis & Clark passed through St Louis on their way to the Pacific Northwest, a group of local Triumph owners/enthusiasts made an equally bold decision: they realized that in order to best enjoy and maintain their now-orphaned sports cars and saloons, they needed to unite.

And unite they did, creating the St Louis Triumph Owners Association. Their first club event? A mid-winter drive, preferably with top down, which became known as the Polar Bear Run.

Nearly 40 years later, the club continues to drive and thrive, currently number over 100 members in Missouri and Illinois with nearly 100 Triumphs between us. We still kick off each New Year with the Polar Bear Run and also participate in a goodly number of drives, car shows such as the annual All British Car & Cycle Show and other events. We enjoy good food, the occasional brew and/or cocktail, good company and exploring the great, twisty roads south and west of St Louis and along the Mississippi River.

You can check out their website here: [www.sltoa.org](http://www.sltoa.org)

## FOR THE CENTRAL OKLAHOMA VINTAGE TRIUMPH REGISTER

The Central Oklahoma Vintage Triumph Register (COVTR) is the Central Oklahoma Chapter of the Vintage Triumph Register. We sponsor monthly meetings, monthly driving outings, trips to local, state, and national car shows, picnics, road tours, and technical assistance. Triumph ownership is encouraged but not a prerequisite for membership.

New members are welcome! Join us for driving fun. Come to our monthly meeting or contact us at [centraloktriumphs@gmail.com](mailto:centraloktriumphs@gmail.com). The COVTR meets the first Tuesday of each month. The meetings start at 7:00 pm and are of an informal nature, come early to eat and visit!

Vintage Triumph Register (VTR) is a North American Car club of over 2,000 members.

## FOR GREEN COUNTRY TRIUMPHS

### Green Country Triumphs of Northeastern Oklahoma

We are a British car club dedicated to keeping Triumph automobiles on the road in Northeastern Oklahoma.

Being a Triumph owner is encouraged, but not a requisite for membership in the club. Popular Triumph models include the TR3, TR4, TR250, TR6, TR7, TR8, Spitfire, GT6, Herald, Stag and Sport Six. On a nice day, you are very likely to find our members on the road with their cars in Tulsa or surrounding communities such as Sand Springs, Bartlesville, Owasso, Claremore, Broken Arrow, Jenks, Catoosa, or Coweta, as well as Southeastern Kansas and Northwestern Arkansas. We'd love to have you join us on one of our activities. If you're in the Tulsa area and see a Triumph go by, wave. It is probably one of us enjoying a nice day for top-down driving around town.

Club meetings are held on the third Tuesday of each month at an area restaurant. Visitors are welcome. Bring your car and show it off, too. Check the Events Calendar link for the location of the next meeting."

You can find more on their website:

## FOR THE HILL COUNTRY TRIUMPH CLUB

The Hill Country Triumph Club was founded in 1990 to bring together the owners of various types of Triumph automobiles in the greater Austin area. However, we welcome fans of all marques of British cars fans: as owners and lovers of our types of cars, we have a special kinship which draws us together.

In addition to organizing drives, participating in car shows, and hosting fix-it days, the club hosts two monthly get-togethers for our members:

The first is a Club Breakfast Meeting held the 2nd Saturday of every month at the Waterloo Ice House on 360 at 2222.

The second is an evening Social Hour on the 2nd Tuesday of every month, and is held at a different venue each time.

Be sure to check the calendar for more details about all of our upcoming events and get-togethers, and come out and join us!

To find out more visit [www.hillcountrytriumphclub.org](http://www.hillcountrytriumphclub.org)

## FOR THE RED RIVER TRIUMPH CLUB

The Red River Triumph Club of the Dallas/Fort Worth area was organized in 1982 for Triumph owners and enthusiasts in the northern central Texas area. Membership is open to all who appreciate automobiles bearing the Triumph name. Our goal is to preserve, restore, educate about, and enjoy the Triumph marque of cars. Our membership is presently over 100 families. In addition to our monthly meetings, the club sponsors events such as rallies, technical seminars, swap meets, and road tours. Please continue reading for upcoming events and informational links pertaining to Triumph

## FOR THE SOUTH TEXAS TRIUMPH ASSOCIATION

Established in 1984

Our purpose is the preservation, restoration and enjoyment of the Triumph Marque. We promote safe driving on public roads while participating in Triumph related events. We enjoy road tours, rallies, All British Car Day events and any excuse to drive our Little British Cars. We welcome any individual or family who either owns or is interested in Triumphs to join. Ownership of a Triumph is not a requirement for membership. You are invited to join us on the third Tuesday of every month, except December, for dinner and a monthly meeting.

## FOR THE TEXAS TRIUMPH REGISTER

Welcome to the Texas Triumph Register website. We are glad to have the opportunity to tell you about our club and our activities.

The Texas Triumph Register (TTR) is a welcoming and very active organization of almost 200 member families. Our membership is made up of single members, couples and families. We embrace all Triumph enthusiasts whether you have a show car, race car, daily driver, boxes of car parts or no car at all. Members receive our award winning monthly newsletter called "The Bluebonnet" that is filled with Triumph related information that is of interest to our members. Membership in TTR are considered Family memberships and our members participate in a wide variety of activities throughout the year.

Saturday breakfast gatherings are held every week and the restaurant locations rotate to all parts of the Houston Metropolitan area. We normally have a good turnout of shiny Triumphs driven to these events. Although there is no formal agenda, impromptu discussions and tech sessions always result. The Breakfasts provide an excellent opportunity to meet people and pick the brains of our resident Triumph experts on matters related to repairs, maintenance and renovation of our cars. If you do not have a Triumph, or do not have a running Triumph we can offer help here also. We have a core of members with the knowledge, skills, and equipment who are willing to help when problems develop or when guidance is needed.

TTR Club meetings are held on the second Saturday of the month. These meetings are designed to attend to necessary business as required of a 501c3 organization, and also provide a great social environment. Our monthly meetings are well attended by the spouses and families of TTR. Meetings are held in the homes of volunteer host members and provide a format that stimulates socialization and leisurely conversation. It also allows for member garage tours to view finished projects and work in progress. Attendees typically bring their favorite snack foods to share with the group. Normally the Hostess or Host provides their specialty main course dish or dessert and TTR reimburses them for the beverages.

Organized drives during the spring and fall of the year are a key component of Texas Triumph Register activities. The club offers a wide array of one day and multi day drives to points of interest in the area. Most of our drives

take place on Saturday, include a group lunch, and are completed before dark. The multi-day drives take us to more distant locations around South Texas and beyond. Signature TTR drive events include the Polar Bear Run in winter, the spring Bluebonnet Run, and Falling Leaves Tour in autumn. For the competitive driving enthusiast, TTR offers periodic Autocross events at the Police Academy track in Houston. Members can get a taste of the thrill of autocross and enjoy the opportunity to refine and further develop their skills. This is normally a one day event held on a Saturday.

Texas Triumph Register is an officially chartered chapter of the Vintage Triumph Register and as such participates in both VTR regional and national events. The regional events take place in Texas or the adjacent states. The national events rotate to all parts of the country. These events provide our members with the opportunity to participate in competitive Concourse, Autocross and Time Speed Distance (TSD) Rally events. They also offer fun drives and self-guided tours in the vicinity of the host city. The regional events are the most heavily attended by TTR members and many attendees enjoy driving in a group caravan to the host city.

As you can see TTR offers ample opportunities to drive your Triumph and to socialize with others who share the passion for these Little British Cars. We enjoy a strong sense of community that is unmatched. We encourage all of our members and potential members to get involved in the fun.

Drive your Triumph – we do! "
