Wood

This is a Chili potluck. Bring your favorite item to share. Can we out do last month's feed? It was "off the charts" great. Thank you to everyone. Please remember to bring your own plate, bowl, utensils, and drink!

Upcoming tour ideas and suggestions are rolling in. Please let Perry or Stan know of your thoughts and ideas. The calendar is filling up!

We will have a well-known guest speaker at the meeting for our "Member Moment" to talk about their cars and restorations, etc. Let us know if you want on the list to talk about your projects at a future meeting.

The spring STATE TOUR is in Kalispel this June. Plan, get ready and gear up for a fun filled weekend. Look in the TIMES for your registration information.

Please add Harley & Janelle Jones to the roster that was handed out at the last meeting.—1105 Margaret 520-490-1066 [harjanjones@gmail.com](mailto:harjanjones@gmail.com)

**WE HOPE TO SEE EVERYONE AT THE MEETING.**
