Capital Carriages Calendar:

Club Events: Car Runs:

December 5th Shellies (Tuesday – 1:00 PM)

December 19th Golden Chinese Buffet (Tuesday – 1:00 PM)

December 10th Montana City Grill (Sunday - 1:00 PM)

General Meeting:
(Christmas Party)

Other Events:

None for December

Our December meeting will include the club's annual Christmas Party. As in the past you can bring a new, unwrapped present to donate to Toys for Tots and a gift to exchange. The gift cost should be around \$20 or less. The meeting will be at 1:00 PM in the Montana City Grill dining room. They graciously agreed to open part of their dining room for our meeting/party again this year. Thanks again to Chris and his staff at the Grill for accommodating us again this year. The party was a lot of fun last year!

Sharon Burrows has not received many of the member's application forms (included at the end of the Times magazine) for the roster update. She will bring more blank forms to the December meeting/party so those who have not filled out a form can do so during the meeting. If an updated form is not received from a member, my thought is to assume the information from the previous roster can be carried forward without any changes. Regardless this will be a lot of work for those building the file for the new roster. Sharon asked me to remind everyone that no money needs to be sent in with these forms, they are informational for the roster update only. If you do not plan to attend the December meeting updated forms should be sent to Sharon Burrows at 19 S Benton Ave 59601.

Darrell Beckstrom agreed to take over the newsletter duties Beginning in January 2024. I will continue writing the Times articles for the club. Thanks Darrell! I really look forward to enjoying your newsletters again!

With the club not officially meeting until the beginning of March 2024, I wish all of you a great winter season. May you get a lot done on all of your car projects. Hopefully the weather will cooperate for a good St Patrick's Day parade in Helena.

This month's photo is of a 1930 Model A as shown at the 2023 Blast from the past show.

The car was for sale at the time! It has probably been sold since then. Not that I am in the market, with all of my projects waiting in the wings. In my son's opinion, I just accumulated all of these projects to keep me busy during my retirement. He may be correct.

See you at the Christmas meeting/party!
